

Newcastle Healthcare Charity Reg. No. 502473

Do you have any of the following?

- Feel full earlier than you would expect when eating?
- Reflux that is persistent?
- Excessive or unexplained weight loss?
- Swallowing difficulties or regurgitating food?
- Heartburn or indigestion that is persistent?

If so - it might be time to visit your GP. The symptoms may be nothing to worry about but it is better to check!

OESOPHAGEAL CANCER... IT'S A BURNING ISSUE

Support Oesophageal and Stomach Cancer Awareness
